TOJA GRID PERGOLAS

- **Competitive Pricing:** Unlock exclusive discount pricing when you purchase your pergola through us.
- **Customization:** We offer customized options which can incorporate a hybrid of products to give you a one-of-a-kind finish.
- **Optional Installation:** We offer installation packages, providing you quality and peace of mind when it comes to your new pergola. We can also source lumber for you to build the pergola from Toja Grid's bracket kit. For the Do it Yourselfers, we also offer Toja Grid DIY Kits

Delivery and Installation available at additional cost. Please inquire to find out more.

CUSTOM-BUILT PERGOLAS

Escape to your own oasis with a custom-built pergola. Our expert builders at The Little Building Company specialize in creating quality pergolas tailored to your unique style and space. Embrace the beauty of outdoor living and elevate your backyard experience with a custom-built pergola from The Little Building Company.
